Hall: **Stand number:**.....

for the **Fruit and Vegetable Industry Trade Fair TSW 2027**, taking place on 14-15 January 2027 at the TARGI KIELCE Exhibition and Congress Centre, ul. Zakładowa 1, 25-672 Kielce, Poland

Declaration:

1. The stand construction and the electrical installation at the stand will be carried out in accordance with the applicable regulations and the submitted design, by persons holding the required qualifications.
2. The materials used for stand construction have valid certificates confirming their fire classification in accordance with PN-EN 13501-1.

Only materials classified as flame-retardant or non-fire-spreading (NRO), or materials treated with fire-retardant agents to achieve flame-retardant properties, may be used for the construction of stands, their equipment and decoration.

IMPORTANT:

- During assembly, the stand contractor is required to have available for inspection by the fire safety services of the exhibition centre and the Organizer valid certificates confirming the fire classification of the materials used for permanent stand construction.
- A scan of the signed document, together with the technical documentation of the stand construction, must be sent to tsw@tsw.pl by 30 November 2026.

Company stamp and legible full name of the person authorized to represent the stand construction contractor
